We Need your Help!

The Galt Kiltie Band is a registered charitable organization that supports itself through paid performances, charity bingo revenue, and, private donations. These funds are required to cover operating expenses such as music, instrument repair, storage, uniforms, transportation, and many other miscellaneous costs.

If you enjoyed the performance today and would like to ensure that others will be able to enjoy this fine band in the future, please consider a donation to assure the continuation of a fine community music tradition in Cambridge. Any contribution would be greatly appreciated, and receipts can issued for amounts over \$10.00.

Please contact us at any of our performances, visit our website, or, write to our mailing address found on the back of this flyer.

Thank you for your consideration!
